

Sisters Middle School 5th Grade Supply Lists 2017-2018

With the purpose of helping all of our students be better prepared and organized, to have the correct/necessary items for class, and to maximize buying power by purchasing in bulk, this year we are asking parents to pay a \$20.00 fee per fifth grade student for supplies. This will be used to supply the basic supplies students will use all year. Parents **WILL NOT** need to do the traditional back to school shopping for pencils, paper, etc... However, backpacks, lunch sacks, and any special items a student wants are not included in this purchase.
